Ref. as the scheme is to provide addl. funds?

The cost of the scheme should be met by provision to be made in the budget estimates of the Assigned Tract. While 1931-32 and 1932-33 budget estimates were prepared, this item was not included owing to want of funds. It is not probable that we will include it in the budget of future years until the revenues of the Station have improved.

P.V. Krishnaswamy

S N 3

No. 1/Ed.32, dated the 6th September 1932, from the Inspector of Schools, Coorg and Bangalore.

(1) The Inspector of Schools has proposed a scheme of physical training for Municipal Schools, Aided Elementary Schools and the Government Training School in the Civil and Military Station of Bangalore. This will involve the abolition of the posts of two Municipal Drill Instructors who attend to not only Municipal Schools but also aided Elementary Schools and the Govt. Training School. At present the Govt. contribute to the Municipal Commission one-half of the cost of the two Drill Instructors.

vide S.N. 4 52/31

(2) The proposed scheme which is on the lines approved by the Govt. of India in their Note on the introduction of physical training, games and drill on a compulsory basis in the educational institutions in Central Areas, is said to be a substitute for the one approved by the Govt. of India in S N 1 which was estimated to cost Rs.1,760 (recurring) and Rs. 1,200 (non-recurring) and which included also the Secondary Schools but excluded Lower Elementary Schools. In the proposed scheme there is no provision for physical training in Secondary Schools.

(3) The recurring and non-recurring cost of the scheme is as given below:-

		Recurring (per year) Rs.	Non-recurring Rs.
I	Municipal Schools maintained from funds given by Govt. under the Five Year Programme for the expansion of education.		
	3 Higher Elementary Schools. Allowance at Rs. 4 P.M. for one teacher for each school. 3x4x12	144	
	5 Lower Elementary Schools. Allowance at Rs. 3 P.M. for one teacher for each school. 5x3x12	180	
II	Municipal Schools maintained from funds paid by Govt. (Assigned Tract)		
	Gardening School. Allowance for 1 teacher at Rs. 3 P.M. 1x3x12	36	

369

Municipal

		(per year) Rs.	Rs.
III	Municipal Schools maintained from Municipal Funds.		
	10 Lower Elementary Schools. Allowance at Rs. 3 P.M. for one teacher for each school. 10x3x12	360	
IV	Aided Schools.		
	8 Elementary Schools. Allowance at Rs. 3 P.M. for one teacher for each school. 8x3x12	288	
V	Govt. Training School.		
	Allowance for one teacher at Rs. 4 P.M.	48	
VI	Allowance to part time Director of Physical Education at Rs. 10 P.M. 10x12	120	
VII	Cost of training the teachers at the Y.M.C.A., Bangalore City.		175
		1,176	175

Expenditure on account of I is debitable to the Five Year Programme funds. This may be included in the budget estimates of the Five Year Programme as requested by the Inspector.

The Inspector says that the amount required under II can be met from the usual allotment for the Gardening School and that no extra provision is necessary.

The expenditure under III should be met wholly from Municipal funds.

The amount required under IV is estimated at Rs. 288. The Inspector says that he proposes to ask the Correspondent of each of the 8 schools to pay an allowance of Rs. 3 P.M. to a teacher who after training undertakes the work of physical training and to inform the Correspondents that the teaching grant will be increased by Rs. 36 per annum for each school. He does not propose any additional provision on this account but requests that the usual provision of Rs. 9,000 under "Account II-Education-D. Grants-in-Aid to Non-Govt. Primary Schools- Grants-in-Aid to Primary Schools", which was reduced to Rs. 8,000 on account of the economy campaign, may be restored to meet this and other necessary charges. This sum is allotted from the Five Year Programme funds and we have definite

committed ourselves to the Govt. of India by agreeing to the reduced allotment of Rs. 8,000 up to 1936-37. Also, as the funds are allotted from Central Revenues, the Govt. of India may not agree to the proposed increase of the provision from Rs. 8,000 to Rs. 9,000. If the small amount of Rs. 288 cannot be met from the savings in the normal budget grant for non-Govt. Primary Schools, the usual allotment of Rs. 44,400 for grants-in-aid to non-Govt. Primary schools may be increased.

As regards V, in the Govt. Training School's budget, there is provision for a part time drill instructor on Rs. 15 P.M. This amount is paid to a Municipal Drill Instructor who works part time in the Govt. Training School. As under the ~~present~~ scheme proposed, the posts of the Municipal Drill Instructors will be abolished, the sum of Rs. 15 P.M. can be diverted to grant an allowance of Rs. 4 P.M. to the teacher who will undertake the work of physical training to the Training School students.

For item VI, Rs. 120 is required. As the Director of Physical Education will supervise the work of the physical training instructors employed in Municipal as well as non-Municipal Schools, one-half of the cost may be debited to the Municipal Commission. The other half viz., Rs. 60 may be met by Govt. and debited to the allotment under Grants-in-Aid to Primary Schools.

Out of Rs. 175 required under VII, one-half will be borne by the Commission and the other half viz., Rs. 87-8-0 by Govt. which, the Inspector says, can be met from the allotment under Grants-in-Aid to Primary Schools.

(4) The allocation of the cost of the scheme is classified as below:-

Recurring

Recurring.

Government funds			Municipal funds	Total
Central Revenues	Assigned Tract Revenues			
I 324 ✓	II 36 ✓		III 360 ✓	
	IV 288 ✓			
	V 48 ✓			
	VI 60 ✓		VI 60 ✓	
324 ✓	432 ✓		420 ✓	1,176 ✓

Non-recurring

	VII 87½ ✓	VII 87½ ✓

(5) Savings due to the abolition of the two Municipal Drill Instructors:-

Recurring

	* 402-9-6 ✓	* 402-9-6 ✓

* ✓ Based on the amount paid in March 1932.

(The Municipal office will kindly give the average cost) (6)

Average cost ₹ 812/- ≈ 1/2 9-16 above ₹ 406/-

(7)

× Flag P ✓

If approved, the principle of the scheme may be approved in general and necessary provision made in the budget estimates for 1933-34.

Though the scheme is on the lines approved by the Govt. of India in their Note at Flag K, it is in modification of the proposals sanctioned by them in S N 1. × ✓ It seems preferable to ~~be~~ inform them of this modified scheme. This may be done after ascertaining U.O. from the Inspector of Schools and the President, Municipal Commission, that the above allocation of cost is definitely agreed to by them.

Submitted for orders.

Resident

Letter No. 806/2-32, dated the 3rd March 1933, from the Inspector of Schools Coorg and Bangalore.

The sanctioned scheme for physical training of pupils in the schools in the C.&.M. Station of Bangalore contains inter alia the following items:—

(1) Arrangement for conducting physical training in the training school, ~~[illegible]~~ for which an allowance of Rs. 4 per mensem is sanctioned to a teacher who qualifies himself for the work by a short training of six weeks duration in the City Y.M.C.A.

(2) Appointment, on an allowance of Rs. 10 per mensem, of the Supervisor of ~~[illegible]~~ Municipal Muhammadan schools or a senior teacher, as a part time Director of physical training to organise and co-ordinate the whole of the physical training work, the qualification for the appointment being the short training of six weeks in the City Y.M.C.A. as in item (1)

It is a revision of the above two items that is now suggested by the Inspector. The Inspector considers that the short training at the City Y.M.C.A. summer school contemplated by the above items will not be sufficient for the instructor in the Training school to teach the underlying principles of the various phases of physical training, and ~~[illegible]~~ for the part time Director of physical training to organise and co-ordinate the whole of the physical training work in the several schools. He is of opinion that, if any considerable and lasting benefits are to be derived from the scheme, a full time Director of physical training who has had a year's training in ~~[illegible]~~ the Y.M.C.A. School of Physical Education, Madras, ~~[illegible]~~, and has ~~[illegible]~~ passed at least the Intermediate examination must be appointed in Bangalore and attached to the Training School

School. This proposal seems to be quite sound. As the Inspector points out, it will be waste of money to give an allowance of Rs. 4 and 10, respectively to those whose knowledge of physical training ~~should~~ would only be that which they glean from a six weeks' course. The extra cost ~~xxxxxx~~ to the C.& M. Station administration by the proposal of the Inspector will be Rs. 195 (Central) and Rs. 152 (Assigned Tract). It is suggested that this cost might be found from savings of 1933-34. The balance has to be met by the Coorg administration and the Municipal Commission. The proposal may perhaps be approved and the Municipal Commission and the Coorg Administration requested to ~~xxxxx~~ provide necessary funds. The President Municipal Commission is in full agreement with the proposal, while the Coorg Administration has already asked the Inspector to submit proposals to make provision in the Training School for training teachers in conducting physical ~~training~~ exercises. There is therefore no likelihood of ~~xxxxx~~ either Coorg or the Municipal Commission objecting to the proposal, especially so as the amount involved is trifling, Rs. 65 for Coorg and Rs. 200 for the Commn. But S.N. 20 of C.O. file 117-29 indicates that there is difficulty for funds next year as regards Coorg Administration is concerned.

The Inspector says that the Principal of the Y.M.C.A. School of Physical Education, Madras, will be able to recommend a good man for the proposed appointment. It is for consideration whether the appointment should not be given to one of our own men, who has the required qualification. For the Coorg Scheme, it was proposed to appoint two secondary grade teachers from our Training School who undergo a year's training in physical education in Madras Y.M.C.A. It appears desirable to follow the same procedure for the appointment proposed for Bangalore also, instead of giving the appointment to an outsider.

A

A secondary teachers training in addition to physical will be preferable for an appointment of this kind. It is possible that a candidate who has passed the intermediate examination will be available from the Training School. For the Coorg Scheme, the Inspector mentioned the names of messrs. N.N. Kalappa and I.K. Devayya for being sent for training at Madras. Of these, the latter is stated to have passed the Intermediate examination. This candidate appears to be available now as he has not been sent for training for want of funds. If this candidate or another with similar qualifications could be selected for Bangalore scheme, perhaps it will meet the case. The only objection to this proposal appears to be the postponment of the appointment by one year, i.e., until the candidate gets himself trained. This does not appear to be a serious objection. The expenditure for training one candidate will amount only to Rs. 325, Rs. 300 being the stipend at Rs. 25 p.m. and Rs. 25 towards travelling allowance. The amount can be met in the proportion suggested in the case of the appointment itself as follows:-

Coorg	1/12th	Rs. 27
Central Revenues	1/4th	Rs. 82
M.A.T Revenues	1/3rd	Rs. 108
Municipal funds	1/3rd	Rs. 108
Total		325

32. The Inspector of Schools may perhaps be asked U.O. whether he agrees with the above suggestion and, if so, whether a candidate who has passed at least the intermediate examination will be available from the Training School for being sent for physical training.

20.3.33

(from para 29)

33

P.U.C. No. 2575

29th March 1933

To

The Inspector of Schools, Coorg and Bangalore, U.O.

I have in mind a man for the post who, besides having already undergone two years training at the Madras (Y.M.C.A) School of Physical Education, has recently passed out of our own Training School as a Trained Secondary Grade teacher. The appointment of this man would meet the suggestion made in the above notes, and would have the added advantage of involving neither delay in the creation of the post nor any further expenditure on the training of a man at Madras. I shall put up a definite recommendation on receipt of sanction to my proposals.

30 MAR 1933 No 1442 COORG & BANGALORE

Sec'y

W/0.80.1267/2.32. 18-4-1933.

1974

OFFICE OF THE RESIDENT IN MYSORE. BANGALORE. 17 APR. 1933 Regd. No. 3503 File. No.

34

Please see the noting from para.29. The statement made by the Inspector in para. 6 of P.U.C. S.N.90 (x) namely,

' Mr. Buck states that he is in a position to recommend a good man for the post if it is created' indicated that the Inspector had to rely entirely on the recommendation of Mr. Buck for the selection of a man for the post. It

transpires

transpires from the Inspector's present note that he has already a man in mind and that he is one who has undergone a year's training at the Madras (Y.M.C.A.) School of Physical Education and recently (apparently subsequent to the physical training) passed out of our own Training School as a Trained Secondary Grade Teacher. The Inspector says that he will put up a definite recommendation on receipt of sanction to his proposal. As the proposal requires the approval of the Coorg Administration and the Municipal Commission, those authorities may, in the first instance, be consulted in the matter. After their views are known, the formal sanction of the Govt. of India may be obtained.

A draft to the President, Municipal Commission is submitted for approval.

36 As regards the Coorg administration, it would perhaps meet the case if the file is sent U.O. to the Coorg Office. The Inspector has already addressed the Chief Commr. in the matter.

D.O. No. 3538
10th May 1933

6/5-29/4

* S.N. 10
C.O. with reference

* Issued No. 3553, dated 10-5-33.

(37) Please see paras 34 and 36 of these notes.

The Coorg Administration is asked to bear 1/12th of the cost on account of the proposed creation of the post of Director of Physical Education for the schools in the Civil and Military Station of Bangalore. This is because the Director of Physical Education will undertake the duties of giving instruction in physical education to the students under training at the Govt. Training School, Bangalore, in addition to other work connected with Municipal and Aided Schools.

(38) The Govt. Training School, Bangalore, serves the needs of Coorg as well as Bangalore and 1/3rd of its cost is borne by the Coorg Administration.

(39) We may agree to bear 1/12th of the cost of the proposed Director of Physical Education. The initial cost ~~during the first year~~ will be Rs 65 per annum and the ultimate ~~ultimately~~ cost Rs 100 per annum to Coorg.

(40) It does not seem necessary to consult the Commr. of Coorg who has forwarded the Inspector's letter without any remarks.

(41) These notes may be sent to the Resident's office for further action as stated in para 34 ante.

P.M.C. S.N. 11

Letter No. 1536/2-32, dated the 10th May 1933, from the Inspector of Schools, Coorg and Bangalore.

43

In the sanctioned scheme for the physical training of pupils in the Schools in the C.&M. Station of Bangalore, a non-recurring expenditure of Rs. 175 was provided for training certain teachers in physical education at the Y.M.C.A., Bangalore City. This expenditure has to be shared between the Govt. and the Municipal Commission in the proportion of 1:1. Thus the share that Govt. have to pay towards the expenditure amounts to Rs. 87-8-0. The Inspector of Schools requests sanction to the payment of the above amount. May be sanctioned; there is provision in the budget.

Draft submitted.

Issued No. 4281, Dt 10.6.33

S.N. 13
P.U.C.

Letter No. Gt.56/33, dated the 4th July 1933, from the President, Municipal Commission, Civil & Military Station, Bangalore.

44

A resolution was adopted by the Indian Legislative Assembly on the 15th February 1929 recommending compulsory physical training, games and drills for Indian boys attending schools and colleges between the ages of 12 and 20. The Government of India in L.A.G. 1929 requested to be furnished with the views of the Hon'ble the Resident as to the feasibility of making provision for the physical training etc. in the recognised educational institutions in the Station and, if it was feasible, to forward proposals in that behalf. Sir Richard Burke submitted a scheme to the Government of India in August 1930 which involved a non-recurring and recurring cost of Rs.1,200/- and Rs.1,760/-, respectively. In their letter dated the 22nd February 1932, the Government of India approved the scheme but preferred to defer the introduction of the scheme until such time as the financial condition of the country improved.

S.N.1 / 314-1929 pg (E)

S.N.2 / 314-1929 pg (E)

S.N.1 / 98-32 pg (P)

45

In September 1932 the Inspector of Schools submitted a revised scheme excluding Secondary Schools, in consultation

S.N.3 / 98-32 pg (K)

consultation with the Municipal Commission, the cost of which (both Central and Assigned Tract) amounted to Rs.756/- recurring and Rs.87½ non-recurring. As the scheme was, from a financial point of view, within the Resident's powers of sanction, it was sanctioned by the Hon'ble the Resident in S.N.4, but the formal sanction of the Government of India was also obtained to the scheme as it was in modification of the original scheme approved by them.

The scheme thus sanctioned contains inter alia the following items -

(1) Arrangement for conducting physical training in the training school, for which an allowance of Rs.4/- per mensem is sanctioned to a teacher who qualifies himself for the work by a short training of six weeks duration in the City Y.M.C.A.

(2) Appointment, on an allowance of Rs.10/- per mensem, of the Supervisor of Municipal Muhammadan schools or a senior teacher, as a part time Director of Physical training to organise and co-ordinate the whole of the physical training work, the qualification for the appointment being the short training of six weeks in the City Y.M.C.A. as in item (1).

For the reasons given in S.N.9 the Inspector has suggested a revision of the above two items. The

Inspector's argument that, if any considerable and lasting benefits are to be derived from the scheme, a full time Director of Physical training must be appointed, seems to be reasonable. The extra annual cost to the Civil and Military Station Administration by the proposal will be Rs.195 (central) and Rs.152/- (Assigned Tract). The Inspector suggests that the extra cost during the current year (1933-34) may be found from savings and extra provision on this account may be made in the education budget for 1934-35. The extra cost to the Municipal Commission is Rs.200/- per annum. The Municipal Commission have resolved to accept the Inspector's proposal for the creation of a whole-time-Director of Physical Education which involves an increased cost to the Commission of Rs.200/-.

The Coorg Administration has to bear 1/12th of the cost, namely, Rs.65/- on account of the proposal and it is suggested in para 9 of note recorded with S.N.21 of C.O.File 117/29, that this may be accepted and the cost during the current year met by reappropriation.

Though the Hon'ble the Resident can sanction the scheme from a financial point of view, it seems

necessary
~~preferable~~ to obtain the sanction of the Government of

to its introduction, seeing that it partially modifies
India ~~before the revised scheme is introduced, in view~~

~~of the fact~~ the existing scheme ~~is one~~ which was sanctioned by

them.

A draft to the Government of India is submitted

for approval.

Pol. No. 98/32

No. D.557-R/32.

From

The Under Secretary to the Government of India
in the Foreign and Political Department,

To

The Hon'ble the Resident in Mysore.

Dated New Delhi, the 22nd February 1932.

Introduction of compulsory physical training, games and drill in educational institutions.

Sir,

S.N.2. 314/29 (E)

I am directed to refer to your letter No. 6248/314-1929, dated the 9th August 1930, on the subject mentioned above, and to say that the Government of India approve generally the scheme formulated by you for physical training in educational institutions in the Civil and Military Station of Bangalore. In view however of the present financial stringency, they are unable to provide additional funds for it in the near future; and although they are anxious that schemes of physical training approved by them should be introduced, either in whole or in part, as soon as funds can be made available, they consider it preferable to defer the introduction of your scheme until such time as the financial condition of the country improves.

2. I am also to bring to your notice that the National Y.M.C.A. School of Physical Education, Madras, publishes a quarterly journal of physical education called the "Vyayam", the annual subscription to which is Rs. 2/-, or annas twelve for a single copy. This journal may be of some use to educational institutions in the Civil and

Military.....

Military station of Bangalore, and if you consider it advisable it may be brought to their notice.

I have the honour to be,

Sir,

Your most obedient servant,

Under Secretary to the Government of India.

Copy to the Department of Education, Health and Lands, for information.

OFFICE OF THE RESIDENT IN MYSORE.
BANGALORE.
7 SEP 1932
Regn. No. 8077

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

SUBJECT.
Physical Training of pupils in Elementary Schools in the Civil & Military Station, Bangalore.

Rec'd 7-9
Issued 9-9

I have the honour to enclose herewith a copy of my note forwarded to the President, Municipal Commission, Bangalore, in response to his request for my opinion, outlining a scheme of physical training of children in Municipal Schools, along with a copy of his letter communicating to me the acceptance of the proposals by the Commission and requesting me to provide the Government's share of the extra cost involved by the scheme, in the budget for the year 1933-34.

2. The posts of the two Drill Instructors employed by the Municipal Commission are proposed to be abolished under the scheme. The cost of these two posts was Rs. 805-3-0 during the year 1931-32, towards which the Government sanctioned a grant of Rs. 402-9-6 covering a moiety of the cost (please vide your No. 2127, dated 21.3.1932.)

S.IV/4 52/31

3. The recurring cost of the proposed scheme, on the basis of one part-time physical instructor for each school and an allowance of Rs. 4/- per mensem in each of the Higher Elementary Schools and the Training School and Rs. 3/- per mensem in each of the Lower Elementary Schools will be as follows:-

1. Three Higher Elementary Schools(opened under the Five Year Programme) - 3 x 4 x 12 = Rs. 144/-

2. Five Lower Elementary Schools (maintained by the Government)and One Gardening School .

6 x 3 x 12 = Rs. 216/-

III. Government Training School.
1 x 4 x 12 = Rs. 48/-

IV. 8 Aided Lower Elementary Schools.
8 x 3 x 12 = Rs. 288/-

V.10 Lower Elementary Schools (Maintained by the Municipal Commission)
10 x 3 x 12 = Rs. 360/-

VI. Allowance to part-time Director of Physical Education -1 x 12 x 10 = Rs. 120/-

Total. Rs.1176/-

4. The extra recurring cost will be (Rs. 1176-0-0 minus Rs. 805-3-0), i,e., Rs. 370-13-0 per annum. The non-recurring cost of the Training Course to be organised for the benefit of the teachers is estimated to be Rs, 175/-. According to the proposal accepted by the Municipal Commission, the extra recurring and non-recurring cost has to be shared by the Municipal Commission and the Government in the ratio of 1:1. The extra cost to Government therefore amounts to Rs. 185-6-6 recurring and Rs. 87-8-0 non-recurring, making a total of Rs. 272-14-0.

5. It is not possible to propose the inclusion of this small sum in the budget proposals under any one head by reason of the fact that various grades and types of schools are involved. I therefore propose that the provision of Rs.324/- for allowances to teachers in the following schools opened or developed under the Five Year Programme be included under the appropriated head.

1.Municipal Higher Elementary School, Blackpalli.
2.Municipal Hafizia Higher Elementary School, Cockburn Road,
3.Municipal Ookadapoliem Higher Elementary School.
4.Municipal Hindu Boys' School, Shoolay.-
5.Municipal Muhammadan Boys' school, Fraser Town.-
6.Municipal Hindu Boys' School, Clevelend Town.-
7.Municipal Latheefia Muhammadan Boys' School.-
8.Municipal Boys' school, Puduparcherri.-

6. As for the eight Aided Schools mentioned below, I propose to inform the Correspondents of the schools concerned, that they may pay an allowance of Rs. 3/- per mensem in each of the schools to a teacher, who after undergoing the training course undertakes the work of physical training, and that the teaching grant will be increased by Rs. 36/- in each case.

1.M.W.S. Mission school, Blackpalli.
2.Luthern Pavanasar School.

4.R.B.A.N.M's Tirukulathar School, Ulsoor.
5.London Mission School, Memorial street.
6.D.C.M. Day School, Tannery Road.
7.Wesleyan Mission Boys' School, Shoolay.
8.Wesleyan Mission School, Yellagondapoliem.

I do not propose any additional provision under this head, but I only request that the usual provision of Rs. 9000/- under the head "Account II-Education - D. Grants-in-Aid to non-Government Primary Schools - Grants-in-Aid to Primary Schools" which was reduced to Rs. 8000/- on account of the economy campaign may be restored to meet this and other necessary charges.

7. There is a provision of Rs. 180/- for physical training in the Government Training School and an allowance at the rate of Rs. 4/- per mensem to a teacher can be paid out of this source. The cost of an allowance to a teacher in the Gardening School can be met from the usual allotment and no extra provision is necessary.

8. As for the Government share of the non-recurring expenditure for the training course, I propose that the Hon'ble the Resident be pleased to sanction half the cost amounting to Rs. 87-8-0 under Rule 58 of the Grant-in-Aid Code for Indian Schools from the allotment under the head "Account II - Education - D. Grants-in-Aid to non-Government Primary Schools - Grants-in-Aid to Primary Schools". No additional provision under this head has been proposed, as a sum of Rs.229-9-6 payable to the Municipal Commission towards the moiety of the pay of the two Municipal Drill Instructors will be saved and the sum of Rs. 87-8-0 can be met out of the saving. As the total recurring cost of the scheme is Rs. 1176/- and the Municipal Commission under this arrangement will have to incur an expenditure of Rs. 480/- only which is less than the agreed share of half the cost, no grant towards physical training in Municipal Schools will be payable to the Commission.

9. In regard to the scheme itself, I need hardly add that it is on lines approved by the Government of India in their Note forwarded by the Secretary to the Chief Commissioner of Coorg along with his endorsement No.782/117-29, dated 23.3.1932. This will be a substitute for the scheme proposed by Mr. Edmonds in his No.1699/1B/29, dated 5.6.1930, regarding which it was directed in your Memo No.1883/98-1932, dated 14.3.1932 that the cost should be

included in the Budget Estimates when financial conditions improve. The cost of the present scheme is much less and it is believed that it would ensure physical training on more satisfactory lines than at present.

I have the honour to be,

Sir,

Your most obedient servant,

Ag.Inspector of Schools,

Coorg & Bangalore.

PRM/5.9.

Spare Copy.

No. No. 1478/13-11 Dated 7.6.1932.

I agree with the Superintendent of Municipal Schools in the view that, the present arrangements for the physical training of pupils in schools in Bangalore are very unsatisfactory. I understand from a statement of the work done by the two Drill Instructors, furnished to me by the Superintendent that drill is conducted in each school for one hour a week, and in a few cases for two consecutive ~~cases~~ hours, the time from 9 A.M. to 4.30 P.M. being distributed among the several schools. This weekly course~~s~~, held often at hours which are quite unsuitable from the point of view of the pupils' physical and mental health, comprising exercises which are not properly designed to promote physical well-being, and conducted by persons whose only model is the military form of drill and who by reason of their low educational status often do not realise the full import of the training they are supposed to impart and do not command the respect and enlist the interest of the pupils, is certainly not conducive to the physical and mental welfare of the pupils, if it is not positively detrimental to it.

2. The proposal for the appointment of a Physical Director trained on modern lines is, apart from its financial aspect, a very desirable one. But the appointment of a Physical Director will not by itself meet the requirements. If physical education is to be organised on satisfactory lines in each one of the 27 schools now served by the two drill -- instructors, physical exercises will have to be conducted regularly for half an hour or one hour every

day at a suitable time when the pupils are neither too fatigued mentally and physically nor too fresh after a heavy meal, and the course of training should be conducted systematically according to a definite syllabus of graduated exercises. For this, the Director should work through an Instructor or Instructors in each school. We should have therefore at least one member of the staff of each school properly trained to conduct physical training classes. The one year's course of training provided by the Y.M.C.A. College of Physical Education at Madras for Directors and Instructors of Physical Education, is too ambitious for teachers in Elementary Schools and is financially prohibitive. We have to think of a short intensive course of 5 to 6 weeks during the summer vacation for a batch of 30 to 40 teachers, one or two being selected from each school for their aptitude for and interest in physical culture. This is the course usually adopted for training teachers in special subjects or activities without much cost and any dislocation of normal school work. There are summar courses in Physical training, as in other special bramches of Education, organised for 3 or 4 weeks by local and other educational authorities in the various parts of England and Wales; and of late, with the realisation of the importance of physical education, steps have been taken by the different Provincial Departments of Education in India to make arrangements for such short, but intensive, courses of training in physical Education.

3. There are special facilities available for such training in Bangalore. There is a Director of Physical Education attached to the City branch of the Y.M.C.A. and he is fully competent to train teachers. The Department of Education in Mysore has been availing itself of his services by organising courses of training for teachers. I propose that arrangements might be made

with the City branch of the Y.M.C.A. for a special training course of 5 or 6 weeks, during the next Summar Vacation, for the benefit of the teachers of Elementary Schools in the Civil & Military Station of Bangalore. The programme for the course will be drawn up by the Director of Physical Education of the Y.M.C.A. and a test conducted at the end of the course and certificates issued.

4. I propose also that the teachers after training should be made responsible for the organisation and conduct of physical exercises, games and athletics in their respective schools. One or two teachers in each school, according to its size, should be made responsible for this work, ~~should be made responsible~~ in addition to their duties as teachers of the ordinary school subjects, and an allowance of Rs. 3/- or Rs. 4/- per mensem should be given to each of them for these additional duties. It would be desirable to have a full time Director of Physical Education to promote, organise and co-ordinate physical activities in the various schools but in view of the present financial stringency we should ~~be contented~~ with a part-time Director to start with, one of the Supervisor of Municipal Schools or one of the senior men among the teachers in either Secondary or Primary Schools being appointed as such on a monthly allowance of Rs. 10/- or Rs. 15/-. As soon as the financial conditions improve and funds become available a full-time Director can be thought of and the scheme of Physical Education developed.

5. As to the cost of this proposal, a provision of nearly Rs. 200/- will have to be made for the proposed training course, including the honorarium to be paid to the Director of the course and the cost of equipment that might be required. After the teachers are trained and the work in Physical Education is started

in schools, the recurring cost on account of allowances to Instructors in 27 schools and the part-time Director would be roughly Rs. 100/- per mensem or Rs. 1200/- per annum. The cost during the year 1931-32 on account of the two Drill Instructors and the cycle allowances paid to them was Rs. 805/-. The extra recurring cost of nearly Rs. 400/- and the non-recurring cost of the training course will have to be shared by the Government and Municipal Commission in the present ratio of 1 : 1 .

6. If this scheme is agreed to by the Municipal Commission, I shall propose the inclusion of the Government share of the extra cost in the budget for the year 1933-34.

M. S. Nanjundaiah

Ag.Inspector of Schools,
Coorg & Bangalore.

P.S. I have discussed this -- scheme with the Superintendent of Municipal Schools and I understand he is in agreement with me.

Letter No.3372/32, dated 5th July,1932, from the President, Municipal Commission, Bangalore, to the Inspector of Schools, Coorg & Bangalore.

SUBJECT.

Physical training of the pupils of the Municipal Schools in the Station - Your No.1478/13-24, dated the 7th June, 1932.

I have the honour to inform you that the Municipal Commission, at their adjourned ordinary meeting held on the 1st July, 1932, accepted your proposals for the physical training of the pupils of the Municipal Schools in the Station. Kindly take necessary steps to provide the Government's share of the extra cost involved by the scheme in the budget for 1933-34.

(Sd) C.P. Chandran,
For President, M.C.

Draft.

No. 8252. Dated 7th Dec. 1932

From

The Hon'ble the Resident in Mysore.

The Political Secretary to the
Government of India,
Foreign and Political Department.

Physical training of pupils in the schools in the Civil and Military Station of Bangalore.

Sir,

I have the honour to refer to Captain Edwards' letter No.D.557-R/32, dated the 22nd February, 1932, approving generally the scheme formulated in my letter No.6248/314-29, dated the 9th August, 1930 for physical training in educational institutions in the Civil and Military Station of Bangalore.

S.N.1 (P)

S.N.2 314-29 E

2. In modification of the above scheme, which involved a recurring cost of Rs.1760/- per annum and a non-recurring cost of Rs.1,200/-, the Inspector of Schools, Coorg and Bangalore, in consultation with the Municipal Commis-

* para 8 of S.N.2 314/29 (E)

S.N.3 ante

Bangalore, has now proposed a new and less costly scheme on the lines indicated in the note forwarded with the Government of India (Department of Education Health and Lands) letter No.445-Edn., dated the 8th March, 1932. It is believed that the new scheme would ensure physical training on more satisfactory lines than at present.

§ S.N.10/ C.O.Fl.117/29 Appdx K/1

3. Under the proposed scheme, a short but intensive course of training for five to six weeks during the summer vacation will be given to a batch of 30 to 40 teachers by the Director of Physical Education attached to the Bangalore City Y.M.C.A. This Director is fully competent to train teachers and the Department of Education in Mysore has been availing itself of his services by organising courses of training for its teachers. The teachers after training will be

para. 2 of S.N. 3/a ante

para. 3 of Do. ante

para. 4 of S.N. 3/a

made responsible for the organisation and conduct of physical exercises, games and athletics in their respective schools. It is proposed to grant to each of such teachers an allowance of Rs.4/- per mensem in the case of Higher Elementary Schools and the Government Training School and Rs.3/- per mensem in the case of Lower Elementary Schools. It would be desirable to have a full time Director of Physical Education to promote, organise and co-ordinate physical activities in the various schools but in view of the present financial stringency it is proposed to appoint only a part time Director on a monthly allowance of Rs.10/-, a full time Director being appointed when financial conditions improve. The scheme does not provide for physical training in Secondary Schools but this too will be taken up as financial conditions improve.

para. 3 of S.N. 3

para. 4 of S.N. 3/a

of the scheme is as given below:-

		Recurring. (Per year) Rs.	Non-recurring. Rs.
I.	Municipal Schools maintained from funds given by Government under the Five Year Programme for the expansion of education.		
	3 Higher Elementary Schools. Allowance at Rs.4 per mensem for one teacher for each school. 3x4x12	144	
	5 Lower Elementary Schools. Allowance at Rs. 3 per mensem for one teacher for each school. 5x3x12	180	
II.	Municipal School maintained from funds paid by Government from Mysore Assigned Tract Revenues.		
	Gardening School. Allowance to one teacher at Rs. 3 per mensem. 1x3x12	6	
III.	Municipal Schools maintained from Municipal funds.		
	10 Lower Elementary Schools. Allowance at Rs. 3 per mensem for one teacher for each school. 10x3x12	360	
IV.	Aided Schools.		
	8 Elementary Schools. Allowance at Rs. 3 per mensem for one teacher for each school. 8x3x12	288	
V.	Government Training School.		
	Allowance for one teacher at Rs. 4 per mensem. 1x4x12	48	
VI.	Allowance to part-time Director of Physical Education at Rs. 10 per mensem. 1x10x12	120	
VII.	Cost of training the teachers at the Bangalore City Y.M.C.A including honorarium to the Director and cost of equipment.		175
		1,176	175

The allocation of the above cost is

as

as follows:-

	Recurring.			Non-Recurring.	Total.
	Government funds.		Municipal funds.		
	Central Revenues. Rs.	Mysore Assigned Tract Revenues. Rs.	Rs.	Rs.	Rs.
I.	324				
II.		36			
III.			360		
IV.		288			
V.		48			
VI.		60	60		
	324	432	420		1,176
VII.		87½	87½		175

To be met from the Assigned Tract Revenues. Vide S.N.17 G.O.C.

para. 2 of S.N. 3 ante

5. The scheme will be brought into force with effect from the year 1933-34. The existing posts of two Municipal Drill Instructors who attend to not only the Municipal Schools but also the Aided Elementary Schools and the Government Training School will then be abolished. At present one-half of the cost of the two Drill Instructors is paid by the Mysore Assigned Tract Administration as a grant-in-aid to the Municipal Commission and this, amounting to Rs.406/- per annum, will be a saving to Government.

Vide penal note by the Municipal office at para. 5 of the note.

6. Necessary provision has been made in the budget estimates for 1933-34 under the relevant heads.

7. As the scheme outlined above is in modification of the one approved in Captain Edwards' letter No.D.557-R/32 dated the 22nd February, 1932, I request that the Government of India will be pleased to accord their sanction to it.

4 MAR. 1933
Regd. No. 2175
File. No. 98/32

From F.C. Edmonds Esq., M.A., B.Sc.,
Inspector of Schools, Coorg & Bangalore.

To The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.

Sir,

S.N.4 (K)

I have the honour to invite a reference to your No.6943/98-1932, dated the 17th October, 1932, in which approval was accorded to the scheme for the Physical Training of pupils in the schools in the Civil and Military Station, Bangalore, submitted by Mr.Mohiyuddin in his No.2417/2-32 dated the 6th September, 1932.

S.N.3.J (K)

2. The sanctioned scheme includes inter alia (1) the payment of an allowance of Rs.4/- per mensem to a teacher at the Government Training School, in consideration of additional duties in giving instructions in Physical Education~~ in Physical Education~~ to the students under training. It is proposed that the teacher in question should attend the Y.M.C.A. summer School in Physical Education at Bangalore during the coming holidays in order to qualify himself for this work. (2) The payment of an allowance of Rs.10/- per mensem to a part time Director of Physical Education. It is suggested that this allowance be paid to the Supervisor of Municipal Muhammadan Schools, or to one of the Senior teachers. This man also would receive the necessary training at the Y.M.C.A. summer school which is of about six weeks duration. I wish to submit certain criticisms of these two proposals for the consideration of the Hon'ble the Resident.

3. In the first place, if we are going to include this extremely important subject in the curriculum of the training school, the standard of the instruction in the subject should be at any rate comparable with that in the other subjects taught. But most of the work in the training school is entrusted to graduates who are trained specialists in the subjects that they deal with. It is now proposed that the instruction in one subject should be entrusted to a man whose only knowledge of it may be presumed to be that which he gleans from a six weeks course. I do not consider that such instruction is worthy to hold a place in the work of our training school. It is reasonable to suppose that a man with this limited training would be able to carry on, under guidance, as a teacher of Physical Training to children. But the duties of a teacher of students under training who are themselves to become teachers of Physical Training among other things, are immeasurably different from this. The student teachers must themselves be taught the underlying principles of the various phases of Physical Training so that they can properly undertake work in this subject when they enter upon their duties as schoolmasters.

4. Further, I consider it unsound to put a part time Director of Physical Training in charge of the teachers of this subject, when he, the part time Director has had no more training in the subject than the teachers themselves i.e., at a summer course at the Y.M.C.A. Physical Training Centre, Bangalore. I see no point whatever in the creation of such a post under these conditions. I consider that to do so would be to waste money. The work of the teachers cannot be properly progressive or even maintain the initial standard. A man is needed to organise and co-ordinate the whole of the Physical Training work in the schools and a man who has to do this must have a far wider knowledge of the subject than is implied in the proposal. The Supervisor of -- Municipal Muhammadan Schools, moreover, is physically unsuited for such work, while I do not see how any of the teachers can be

spared from their ordinary duties for the purpose.

5. From these two points of view, it appears to me that if any considerable and lasting benefits are to be derived from the Bangalore scheme and the part of the Coorg scheme which relates to the training of students in the Government Training School, Bangalore, a full time Director of Physical Training who has had a year's training at the Y.M.C.A. School of Physical Education, Madras, and has passed at least the Intermediate Examination must be appointed in Bangalore. Such an appointment would meet both the criticisms that I have offered in the preceding paras. A man so qualified would be fully competent to give instruction in the principles and methods of Physical Education to the students under training, to organise and co-ordinate the work in Physical Education in the various schools in the Station, and to command the respect of the teachers whose activities he will direct.

6. I am informed by Mr.Buck, the Principal of the Y.M.C.A. School of Physical Education, that a man of the qualifications I propose might reasonably expect a salary scale of Rs.65-5-100. I propose that a Director of Physical Education be appointed in Bangalore on this salary. Mr.Buck states that he is in a position to recommend a good man for the post, if it is created. There is therefore no expenditure to be incurred on the training of a man for the post. Under the sanctioned scheme for ~~the~~ Physical Training in Bangalore, it is proposed that the Mysore Assigned Tract Revenues and the Municipal Commission should bear an equal proportion of the cost of the part time Director. My proposal involves an expenditure in the first year of Rs.780/- (on the basis of twelve months salary). I propose that the Coorg Government, in respect of the training of students at the Training Schools, the Central Government (5 year programme Funds) in respect of the Municipal Schools opened and paid for under the 5 year programme, the Municipal Commission in respect of the Municipal Schools paid for by the Commission, and Mysore Assigned Tract Funds in respect

of the aided schools participating in the scheme should contribute towards the expenditure in the following proportions:-

Coorg Government Funds	(1/12)	Rs. 65/-
Central Revenues (5 year programme)	(1/4)	" 195/-
Assigned Tract Revenues	(1/3)	" 260/-
Municipal Funds.	(1/3)	" 260/-
		Rs.780/-

These proposals are based on the number of schools financed by the several administrations mentioned, due account being taken of the work of the proposed Director in the Government Training School.

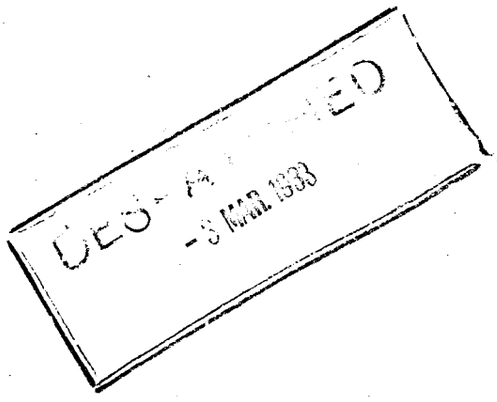
7. I assume that Coorg is prepared to pay a small contribution towards the cost of the instruction in Physical Training given at the Government Training School, to Coorg students. Provision for such instruction was envisaged in para 4 of the letter No.3288/117-29, dated 6-12-1932, from the Secretary to the Chief Commissioner of Coorg, addressed to the Secretary to the Government of India, Department of Education, Health and Lands. I propose that, if my proposal is accepted by the Hon'ble the Redident, the Coorg Government be asked to meet the very small annual charge that I have proposed above. In the scheme of Physical Training sanctioned for Bangalore in your No.6943/98-32, dated 17-10-1952, it was proposed to charge Rs.324/- to Central Revenues. My proposal involves the increase of this charge to Rs.519/-. In the sanctioned scheme, the Assigned Tract Revenues are proposed to be asked to meet a total sum of Rs.432/-. But my proposal involves the omission of Rs.108/- (items V & VI) and the addition of Rs.260/- to this sum i.e. a net increase of Rs.152/- over the sum involved by the sanctioned scheme. The proposed increased cost to Municipal Funds is Rs.260 — Rs. 60 (item VI) i.e. Rs.200/-.

8. This additional expenditure is, I consider, trifling;

yet I consider that the value of the schemes for the improvement of Physical Training in Schools will be immeasurably enhanced if a full time Director of Physical Education be appointed in Bangalore. Indeed, in my opinion, the money spent on the training of the teachers at a short course of Physical Education, and the money paid to them by way of allowance as teachers of the subject, will be largely wasted unless their future work is controlled and guided by a fully qualified Director.

9. If my proposals are accepted, I suggest that the extra cost to Central Government Funds and Mysore Assigned Tract Funds might be found from savings this year (1933-34), and extra provision made in the Educational budget for 1934-35. The President Municipal Commission and the Coorg Government may also kindly be addressed in the matter. The proportion of the cost that I suggest should be borne each year by each administration concerned, I have indicated, fractionally, in para 6 of this letter.

10. I may add that I have consulted the President, Municipal Commission, and that he is in full agreement with the proposals that I have put forth in this letter, with the reservation that the financial implications will of course have to receive the assent of the Municipal Commission.



I have the honour to be,

Sir,

Your most obedient servant,

Inspector of Schools,

Coorg & Bangalore.

No. 10053
98-1932

From

The Hon'ble Lieut.-Colonel C.T.C. Plowden, C.I.E.,

RESIDENT IN MYSORE.

To

The Political Secretary to the Government of India,

Foreign and Political Department.

Dated Bangalore, the 23 October 1933.

Subject:- Physical Training of Pupils in the Schools in the Civil and Military Station of Bangalore.

Sir,

I have the honour to refer to the correspondence ending with the letter from the Foreign and Political Department, No.F.63-R/32, dated the 25th January 1933, conveying the sanction of the Government of India to the revised scheme for physical training of pupils in educational institutions in the Civil and Military Station of Bangalore. This scheme includes inter alia the following expenditure - vide items V and VI in paragraph 4 of Sir Richard Burke's letter No.8252, dated the 7th December 1932.

(i) Allowance for one teacher in the Training School at Rs.4/- per mensem - Rs.48/- per annum.

(ii) Allowance to part-time Director of Physical Education at Rs.10/- per mensem. - Rs.120/- per annum.

Item (i) represents the remuneration for the teacher conducting physical training in the Training School, and item (ii) is the allowance proposed for the part-time Director for the

organisation....

organisation and co-ordination of physical education in the Station as a whole. The qualification for both the appointments is the same, namely, training for a period of six weeks under the Director of Physical Education attached to the Bangalore City Y.M.C.A.

2. The Inspector of Schools, Coorg and Bangalore, has now submitted proposals for a revision of the above arrangements. He considers that the short training at the Bangalore City Y.M.C.A. will not enable the Instructor in the Training School to teach the underlying principles of the various phases of physical training or the Part-time Director of Physical Education to organise and co-ordinate the whole of the physical training work in the several schools. It is necessary that the student teachers in the Training School, who are themselves to become teachers of physical training in addition to their duties as teachers of general subjects, should be taught properly and thoroughly the principles of physical education, so that they can efficiently carry out work in this subject when they enter upon their duties as teachers. Similarly, the part-time Director of Physical Education should have a thorough knowledge of physical training, as, otherwise, he will not be able to supervise the work of the teachers with a view to make it properly progressive or even to maintain the initial standard.

3. The Inspector is of the opinion that, if any considerable and lasting benefits are to be derived from the scheme, a full time Director of Physical Education, who has had a year's training in the Y.M.C.A. School of Physical Education, Madras, and has passed at least the Intermediate Examination must be appointed and attached to the Training School. I consider that the Inspector's proposal is a sound one; and

I agree ....

I agree with him that it will be a waste of money to give a monthly allowance of Rs.4 and 10, respectively, to so-called teachers of physical training whose knowledge of physical education would only be that which they glean from a six weeks' training. Physical training, if it is to be productive of good results, must be taught by teachers who themselves have been properly taught. It is understood from the Principal of the Y.M.C.A. School of Physical Education, Madras, that a candidate with necessary qualifications for the appointment of a Physical Director might reasonably expect a salary on a scale of Rs.65-5-100. In the circumstances I would request that the Government of India may be pleased to sanction the creation of an appointment of Director of Physical Education on a pay of Rs.65-5-100 in the Civil and Military Station of Bangalore in the place of items V and VI of the scheme already sanctioned.

para 4 of S.N. 5

S. N. 8

4. I will now deal with the financial effect of the proposal. It is reasonable that the Coorg Administration should bear a small portion of the cost involved by the proposal. The teachers in Coorg are trained in the Bangalore Government Training School; and the instruction they would receive under the scheme now proposed would add to the success of the Coorg scheme for physical training which was sanctioned in letter No.F.79-2/32-E., dated the 14th February 1933, from the Government of India, Department of Education, Health and Lands. Under the sanctioned scheme for physical training in Bangalore, it is proposed that the Mysore Assigned Tract and the Municipal Commission should bear an equal proportion of the cost of the part-time Director and that the Central Government should bear the cost of the allowance paid to the teachers in the schools opened under the Five Year Programme for the expansion of education. I would propose that the

Para 7 of S.N. 9

S.N. 17
Co.F. 117-29

Coorg....

Coorg Administration, the Central Government, the Mysore Assigned Tract and the Municipal Commission should contribute towards the cost of the proposed appointment of -- Director of Physical Education in the following proportions:

Coorg Administration	1/12th
Central Government	1/4th
Mysore Assigned Tract	1/3rd
Municipal Commission	1/3rd

Page 4 of S.N. 9.

7/12 both to be met from M.A.T. (vide S.N. 17.) K

As the initial pay of the proposed Director is Rs.65/- per mensem, the proposal will involve an expenditure in the first year of Rs.780/- which, in accordance with the proportions mentioned above, will be distributed as follows:-

Coorg Administration	Rs. 65
Central Government	.. 195
Mysore Assigned Tract Revenues	.. 260
Municipal Commission	.. 260
	.. 780

455

The expenditure shown above against the funds of the Mysore Assigned Tract and the Municipal Commission will be reduced by Rs.108/- and Rs.60/-, respectively, being the amounts these funds have to meet under items V and VI of the existing sanctioned scheme. In other words, the Mysore Assigned Tract and the Municipal Commission will have to meet an expenditure of Rs.152/- and Rs.200/-, respectively, in addition to Rs.108/- and Rs.60/- which they have to meet under the existing scheme. The Municipal Commission, in their Resolution No.8, dated the 29th June 1933, have accepted the proposal for the creation of the post of a whole-time Director of Physical Education which involves an increased cost in the first year of Rs.200/- to the Municipal Funds. It has also been decided to meet the Coorg share of the expenditure from the Coorg revenues.

Encl. to S.N. 13

Paras 39 & 40 of notes.

5. In the circumstances I would request that the Government

of....

of India may be pleased to sanction the extra expenditure involved by the proposal so far as Central and Mysore - Assigned Tract Revenues are concerned. The extra expenditure during 1933-34 will be found from savings. Necessary provision will be made in the budget for 1934-35.

I have the honour to be,

Sir,

Your most obedient servant,

O/c.

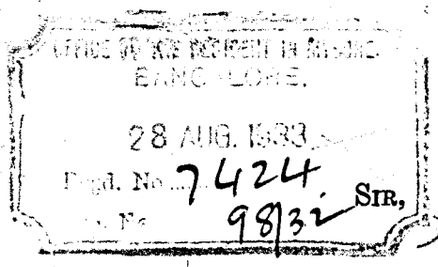
FROM

THE ACCOUNTANT GENERAL,

MADRAS,
(T.3.Section.)

To



The Secretary to the Hon'ble
the Resident in Mysore, Bangalore.

SIR,

S.N. 5 of (K)

I have the honour to invite a reference to paragraph 5 of your letter No. 8252/98-1932, dated - 7-12-1932 to the Government of India, Foreign and Political Department, on the subject of the Physical Training of Pupils in the schools in the C & M Station, Bangalore.

S.N. 8 of (K)

Under the orders contained in Government of India, - Foreign and Political Department letter No. F. 63/R-32, dated 25-1-1933, the scheme is to be brought into force with effect from 1933-34 and the grant in aid towards the moiety of the cost of two Drill Instructors is not payable to the Municipal Commission for the year 1933-34. But a sum of Rs. 30/- being moiety of the pay for April and May 1933 of the Drill Instructor attached to the Training School, Bangalore, was drawn and paid to the President, Municipal Commission, under the old system.

2. The Inspector of schools, Bangalore, who was addressed in the matter has stated that the Government of India order in question does not appear to have been - received in his office- Vide his endorsement No. 2593/2-32, dated 8-8-1933 sent in reply to this office H.M.T.3. Bang. 235, dated 7-7-1933 (enclosed in original for reference and return).

page 2 of S.N. 15/a (Encl. to P.C.)

page 1 of S.N. 15/a

3.

3. As the grant of Rs. 30/- paid during this official year was irregular, I request that necessary instructions may kindly be issued for the recovery of the amount from the Municipal Commission.

I have the honour to be,

Sir,

Your obedient servant,

Assistant Accounts Officer.

Sir,

I have the honour to request that you will be so good as to furnish the information, etc., required below.

I have, etc.,

Sd/- A.Sankar Iyer,

for Asst.Accts.Officer.

Rs.15/- has been paid to the President, Municipal Commission, being the moiety of the pay of the Drill Instructor attached to the Training School, Bangalore for the month of April 1933 -- Please state whether the post of the Drill Instructor has not been abolished from April 1933 onwards with ref: to Government of India, Foreign and Political Dept. letter No.F-63-R/32 dated the 25th January 1933 and whether the payment made for April 1933 is not recoverable from the Municipal Commission.

REPLY.

No.2285/57-24, dated the
18th July 1933.

Forwarded to the Headmaster, Government Training School, Bangalore, for favour of reply.

Sd/- F. Edmonds,
Inspector of Schools,
Coorg & Bangalore.

P.T.O.

No.2593/2-32, dated the 8th August 1933.

Returned with the copy of the endorsement No.5566/33, dated the 2nd August 1933 from the President, Municipal Commission, Civil and Military Station, Bangalore. The Secretary to the Resident's letter No.6943/98-1932, dated the 17th October 1932 does not specify a date for the abolition of the posts. The Government of India order referred to does not appeared to have been received in this office.

Sd/- F. Edmonds,
Inspector of Schools,
Coorg and Bangalore.

O/c.
4/11/33

GS.

Endorsement No.5566/33, dated the 2nd August 1933, from the President, Municipal Commission, Civil and Military Station, Bangalore.

The 2 Drill Instructors were at first given notices to the effect that their services will not be required from 1-4-1933 and you were intimated that the posts of the Drill Instructors would be abolished from or about the 1st April 1933.

On the recommendation of the Educational Superintendent, the services of the 2 Drill Instructors were retained till the reopening of the schools on 1-6-1933, after the vacation. Subsequently, Ibrahim Khan, one of the two Drill Instructors, was absorbed as a teacher from 13-4-1933, while the other (Susainathan) continued till 1-6-1933.

As Susainathan, who was attached to the Training School was paid for April and May 1933, the moiety of his pay for the said period was recovered from the Government, on presentation of our bills, as usual.

OFFICE OF THE RESIDENT IN MYSORE.
BANGALORE.
9 DEC. 1933
Regd. No. 10686
File. No. 9813

Dated New Delhi, the 4th December 1933.

Physical Training of pupils in the Schools in the Civil and Military Station of Bangalore.

Sir,

S.N.14

With reference to the correspondence ending with your letter No. 10053/98-1932, dated the 23rd October 1933, I am directed to convey the sanction of the Government of India to the creation with effect from 1933-34 of an appointment of Director of Physical Education in the Civil and Military Station, Bangalore, on a pay of Rs. 65-5-100, in supersession of items V and VI of the scheme contained in paragraph 4 of your letter No. 8252/98, dated the 7th December 1932.

S.N.5

2. As regards the division of the expenditure involved (Rs. 780/-) during the current year, the Government of India have no objection to the proportions proposed to be debited to the Coorg Administration and the Minicipal Commission. The whole of the net balance of Rs. 347(i.e. Rs. 455-Rs.108) should, however, be met out of the Assigned Tract Revenues as all educational expenditure in the Civil and Military Station, Bangalore, has hitherto been met entirely from those revenues.

Page 4 of S.N.14 of (K)

3. In paragraph 4 of your letter of the 7th December 1932 you proposed inter alia that a sum of Rs. 324 representing a portion of the total cost of the scheme

S.N.5 of (K)

should

should be debited to Central Revenues and the proposal was approved in the Foreign and Political Department letter No.F.63-R/32, dated the 25th January 1933. In view, however, of the position as stated in the preceding paragraph, it is clear that the amount in question will have to be met out of the Assigned Tract Revenues instead of from the Central Revenues, and I am to request that the allocation of cost proposed in paragraph 4 of your letter of the 7th December 1932, may be modified accordingly.

S.N.8

S.N.5

4. The extra expenditure involved during the current year should be met by re-appropriation.
